Important notes regarding Timetable START times:

- 1) Prayer **START TIMES**: The 'Start' times are approximate calculations therefore It is safer to **add approx ten minutes** to these times **before praying** to ensure the time for Salah has entered.(except Maghrib)
2) **FASTING**: It is safer to stop eating **approx 10 minutes before** the '**FAJR START**' time in order to protect the fast from being ruined, unless: (a) You are visibly able to clearly ascertain the beginning of TRUE Fajr from night (b) You have a good understanding of how to do so according to Islamic guidelines.

Important information re: Rabee' Al-Awwal. Some Muslims out of what they claim is love of the Prophet sallallahu alayhi wasallam, wrongly celebrate his birthday. It should be known that this celebration has no place in Islam, as Islam is what the Prophet sallallahu 'alayhi wasallam taught or the way and teachings of the Prophet's Companions. Indeed this celebration was never done by the Prophet sallahu alayhi wasallam, himself, nor his Companions and therefore amounts to a despised innovation in Islam (Bid'ah) which must be abandoned.
